

SUPPLEMENT
For T30 Small Reciprocating Compressors
Model Numbers with Suffix -V and -P

General

This publication provides information on replacement parts for your compressor package. These replacement parts supersede the comparable package components listed in the parts lists included on the CD-Rom included with your compressor. **Note: The bare compressor components listed in the parts lists included on the CD-Rom are still applicable.**

To determine if your compressor package is applicable to this supplement, refer to the diagram at right. Locate the model number on the silver rectangular nameplate/specification label affixed to the receiver. This supplement is applicable if the model number ends with suffix (-V or -P). **Note: the dash (-) must precede the V or P (ex:2-2545E10V is not correct, 2-2545E10-V is correct.**

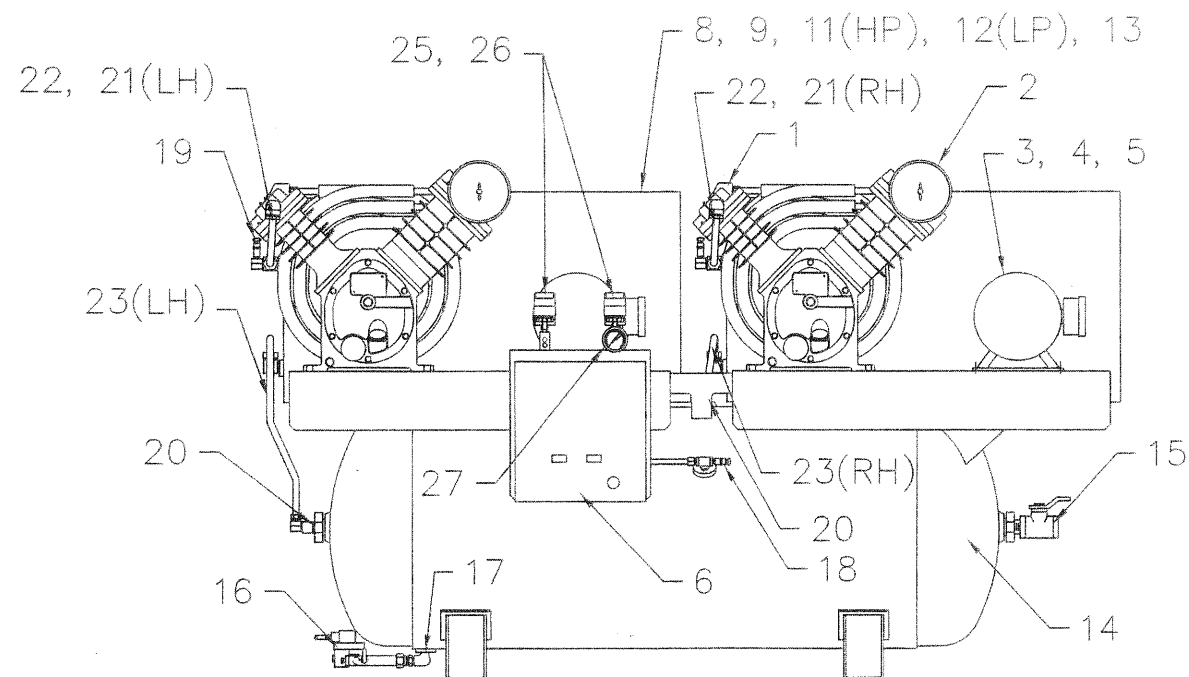

ORDERING INSTRUCTIONS

All parts listed in this supplement can be ordered through your local full service provider. Visit www.ingersollrandproducts.com to locate the provider in your area. When ordering, provide the model number and serial number located on the unit silver rectangular nameplate/specification label.

WARNING

HAZARDOUS VOLTAGE AND HIGH PRESSURE AIR. Can cause serious injury or death. Disconnect power and bleed pressure from the system before servicing.
